Your complete guide to this issue's **BONUS VIDEOS**

This issue comes with 10 full-length bonus videos.

As always, these videos are totally free with absolutely no strings attached. You can stream them on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take **18eighteen** anywhere you go.

Here are the highlights of this issue's bonus scenes.

Franziska Facella keeps getting distracted while working on a science project. Her tiny tits and tight slit keep calling out to her to be touched, and Franziska abides. Her volcano project might not erupt, but her pussy will!

Braceface Veronica Valentine gets called into the principal's office. Her uniform is too revealing. The principal tells her that he doesn't want her to have a hard time in school. But Veronica does want a hard time, if it means his hard cock in her tight pussy. And that's what she gets. She takes off her shirt, revealing perfectly perky tits. Her skirt and panties come off and we get to see the rest of her package, which is tight and just right.

Kylie Rocket comes home exhausted after a hard day at school. Okay, maybe her day wasn't that hard. Definitely not as hard as the cock of every guy who saw her in class. Regardless of how much Kylie actually worked, she can still treat herself to an afternoon cum.

Redhead Ava Parker needs to get her

grades up. But the only thing she gets up is the tutor's cock. He tries to get her to care about her schoolwork, but this pervy pupil just wants to suck and fuck his meat.

Jessae Rosae will show you hers if you show her yours. And what does hers look like? Tiny tits that barely fit an A-cup. A shaved pussy. And a surprisingly supple booty for such a skinny girl. You won't just enjoy the sight. You'll also enjoy the sound of Jessea's wet pussy and moans as she fingers herself. That's what she's got. Now it's your turn.

Kylie Quinn tells her principal she doesn't give a fuck. "I'm going to knock some sense into you," the principal says as he slaps his cock against her face. Kylie won't be able to curse with her mouth and throat full of man-meat.

Sherice is a skinny, flat redhead who can't keep her hands out of her panties. She alternates between rubbing her clit and fingering her slit, then takes it up a notch by rubbing and finger-fucking at the same time.

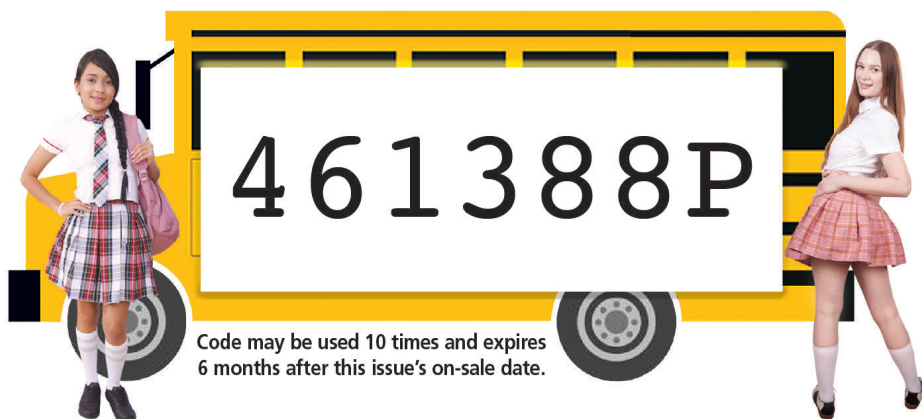

Beautiful ginger Redly is about to fail physical education because she can't do one push-up. Luckily, her extra credit is showing the teacher what else she can do with her body, like sucking and fucking his old cock.

Adel invites you to a private study session. But instead of books, it's her thighs and pussy lips that are open.

Hailey Little is an uptight private school girl. She needs to relax, and her fuck buddy helps her do so by pounding her and making her cum hard.

Nice Rack, No Gag Reflex

Dear Virgin Territory,

Besides having a nice rack for a young chick, Selina Imai (Vol. 27 No. 3) has an amazingly talented mouth. She really did a great job deep-throating that big cock! After looking at her pictures in the mag, I watched her video on 18eighteen.com and was very impressed. She didn't give up after he came. Great talent. I'd love to see a lot more scenes with her.

Selina tests how deep she can go.

Selina is the kind of girl who keeps me cumming and keeps me coming back to 18eighteen. When I saw her for the first time in Vol. 27 No. 2, I thought, "I'm not fooled." She might have looked innocent in that school-girl outfit of hers, but I bet she's the kind of girl who walks around with the top button of her jeans unbuttoned and wears bras that are a size or two too small. Her parents probably don't even know that she hasn't thrown out her bra from when she was a A- or B-cup and still wears them when she leaves the house. I can't speak to the top-button-unbuttoned jeans trend, although I suspect

it's some kind of invitation to pussy some party girls dreamed up. I like it.

I do have one question, though: How old is the guy who was fucking her?—T.B., via email

Dear T.B.: The guy fucking Selina in Vol. 27 No. 3 is much more than twice her age. He's 42, making him the oldest man this busty pixie has ever fucked. Readers, you can watch the video of that scene at 18eighteen.com or in the movie Teen Bait 5, available on page 99.

He Loves Olivia's...Face!

Dear Virgin Territory,

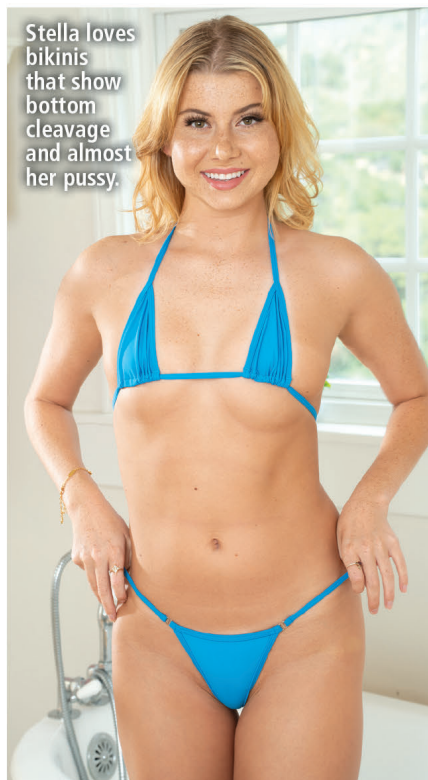

What a breath of fresh air Olivia is in your Vol. 27 No. 3 issue. Such a sweet, little body with nice, little titties and a fine ass, but it's her face that gets me. I love when girls smile for the camera when they're doing naughty things, and little Olivia definitely knows what she's doing to us when she's licking that lollipop.

By that time, she had me rock-hard and stroking, and I came immediately

Sassy Olivia returns to fuck on page 54 of this issue.

Stella loves bikinis that show bottom cleavage and almost her pussy.

when she turned around, pulled aside her panties and showed us her asshole while looking back at us. Nice!

Then I came back later and looked at the rest of her pictorial, only to cum a second time when she rode that toy and spread her butt cheeks again. Olivia, I think this is the beginning of a beautiful relationship!

I had no sooner recovered from that cum when I moved on to the next girl, Stella with her little bikini. She knows how to make the most of her almost-flat chest, wearing a tiny top that shows bottom cleavage. I've been seeing a lot of the bottom-cleavage bikini trend these days, and it's definitely caught my eye, but I liked it even more when Stella stretched her pussy around that big toy.

I also couldn't help but notice Stella's tan lines, particularly the ones around her pussy, which tell us how small the bikinis she wears are. When she's wearing a bikini, everyone

knows an important thing about her: She shaves her pussy!—L.G., via email

Dear L.G.: You can see more of Stella in the movies Honey Cunnies 10 and 18eighteen School Girls. As for Olivia, she licks more than a lollipop in this issue. She sucks and fucks an older guy's cock.

Ava Keeps Him Cumming

Dear Virgin Territory,

I have now had time to fully digest Vol. 27 No. 4 of *18eighteen* magazine, my favorite publication, and wanted to tell you how much I enjoyed the lovely 18-year-old girls inside.

My favorite was fresh-faced girl-next-door Ava on page 78. What a total babe! She really is very pretty, indeed, in her pink, summery dress and purple panties, the type of girl you'd like to take on a picnic in a hay meadow. You'd keep sneaking a look up her dress as she giggles and enjoys the summer sun. Then she inevitably gets horny and lets you see those puffy, pink nipples and pale, sexy skin before you get down to some serious rolling in the hay.

The pic of her spreading her ass cheeks open for us to see her pink pussy and tight asshole whilst looking sexily into the camera lens on page 80 had me reaching for my extremely erect penis in seconds. That image is now burned into my brain permanently. That's the type of girl that brings me back to why *18eighteen* has been my favorite magazine for

Ava's panties are kinda nice-girl-ish, but she'll happily show you her pussy.

nearly 25 years and why I keep on coming back to it.

Please, more panty-clad girl-next-door types like Ava, as this is what *18eighteen* is all about. Keep up the good work and keep the sexy girls coming.—K., Essex, United Kingdom

More Pussy Hair, Please!

Dear Virgin Territory,

I got very excited when I saw the headline, "Au Naturel," on Helen's pictorial in Vol. 27 No. 4. I was thinking, "Finally, we're going to some bush." I eagerly awaited the reveal, thinking, "Here it comes!" But I was disappointed when I got to page 75 and saw that Helen has the same shaved/hairless pussy as almost all of the other girls in *18eighteen*. Bummer! So I guess by "Au Naturel," you meant she was getting naked outdoors. I'm calling bullshit.

Helen doesn't have any cunt hair, but she enjoys getting naked outdoors.

Nonetheless, Helen is a very pretty, sexy girl with almost perfect nipples. I wonder if posing outdoors got her very excited and that's why her nipples are so hard. Still, she would have been better with some bush. Please, I beg of you, try to show some girls with cunt hair.—M.L., Phoenix, Arizona

Hey, Girls, Fuck Some Guys Your Own Age!

Dear Virgin Territory,

You know, *18eighteen*, it's okay to once in a while show girls fucking guys their own age. We don't always have to see old men lusting over these teenagers. Sometimes it's hot, sometimes it's not. Not: The guy with Juniper (Vol. 27 No. 4) looked like he could have been her uncle. I could have done without seeing him with

his salt-and-pepper beard, mostly salt, brushing up against Juniper's perfect, little titties. I much preferred seeing Daisy with a guy who at least could have been one of her peers.

My fantasies go more toward "high school girl sucks off the entire football team and lets them run a train on her" and less toward "high school girl walks into the townie bar and fucks her best friend's drunk father," but whatever. I'm sure you know your readers better than I do. It's just that not all of us think alike.—C.L., via email

A Simple Request

Dear Virgin Territory,

I have a special request that I don't think I've seen much of in 18^{eighteen}, if at all: girls shaving their pussies. I can't remember the last time you showed something like that. I was just looking at your website, 18^{eighteen}.com, and came across a very pretty girl named Lola Belle. I don't know if she's ever been in the magazine, but in the photos, she was in the shower and shaving her pussy. Not that she had much hair to shave, but it was very exciting to watch her apply the shaving cream to her mons pubis, then shave it all off. When she was done, she took out a toy and fucked herself with it, and she still had shaving cream around her pussy lips.

I also think it would be very exciting to see a girl shaving her pussy or

having her pussy shaved while she has a cock in her ass. I've seen that before but never in 18^{eighteen}. Please consider this for a future issue, and if you need a guy to help shave the girls, I'm ready, willing and able.

—N.R., via email

Lola Belle doesn't have much pussy hair, but she's shaving it anyway.

Dear N.R.: We will consider it, although, of course, most of the girls who appear in 18^{eighteen} don't have much hair to shave. BTW, Lola has appeared in 18^{eighteen} magazine, way back in the March 2008 issue, but the photos of her shaving her pussy were never published, other than one in "Virgin Territory" a long time ago. So here's another!

MOVIE PREVIEW

18 **eighteen** SCHOOL GIRLS 2

FOUR TIGHT, STRETCHED COEDS

They've been very bad girls, but they're doing very good things!

 **Olivia**

The short synopsis of this movie? Four young girls strip out of their school uniforms and fuck. Three are featured in this issue, so this is the best way to see them in XXX action. Olivia is in her room after school and feeling horny, so she starts touching herself. The fact that she realizes she's not alone is one thing. The fact that the guy she fucks is twice her age is another.

Here's another short synopsis for you: Blonde schoolgirl Eva Murkovski rocks cock with her tight, teen asshole. Check out her pictorial later in this issue to see her butt getting pounded by dick. Then watch the movie. This scene proves that even bashful, quiet girls can take it in their backdoor puckers like champs. Oh, and how could we have forgotten? Little Eva does her best to swallow that hard cock.

 Julia

Ya gotta love teen girls like Julia who look so sweet and innocent even when they're riding some 50-year-old's meat. In this scene, Julia's teacher, Mr. Vegas, wants to see her after class. Well, he wants to see her with his cock in her mouth and inside her snatch. She deep-throats him easily, bobbing her head back and forth as he tickles her tonsils. Then teacher bends her over and fulfills one of her fantasies: to get fucked on a desk in a classroom. Doesn't every girl have that fantasy? No? Well, Julia did. In the end, she takes his load all over her face and eats cum.

Oh, Della, you're such a little teen slut, coming on to your old teacher like that after class. "You're my student," he says to her. "Is that something you really want to do?" Della shyly nods her head, but she might as well have just screamed, "Yes, I want you to eat my bald pussy on top of your desk! Yes, I want to swallow your cock to the root and prove I have no gag reflex! Yes, I want you to fuck me balls-deep! Yes, I want to eat your load!"

MARINA
**BELIEVE IT
OR NOT!**

She has some big surprises for the folks back home.

If you saw Marina in public, you'd never guess she would come to a porno mag to get naked and spread her pussy. You'd definitely never imagine she sucked and fucked an older man for all the world to see. "My friends think I dress like a nerd," she said. "My parents don't worry about me with boys because they think I don't know about sex. They're so dumb!"

**Congrats, Marina.
You're our covergirl!**

"Really? That's so exciting! I can't wait to tell my friends and show it to them, but I know what they're gonna say. 'Marina, do you think we're stupid or something? That's not you.' I'm not even worried about my dad's friend finding out because he won't believe it either. I know he perves on me and goes to the porno store."

**You're very flexible.
How did that happen?**

"You mean how come I can get my legs behind my head? I did some gymnastics in high school, but I wasn't very good at it. But it did make me a better lay. The first time I got my legs behind my head for a guy and showed him my pussy, he got hard in two seconds, and after that, he fucked me so hard and so deep!"

Reader CONFESSION

LEWD IN THE LIBRARY

Dear *18*teen,

I don't usually write letters like this. In fact, if you had told me a week ago that I'd be writing to share my own experience, I would have laughed and called you crazy. But life has a way of surprising you, and sometimes, those surprises leave you with a story that just needs to be told.

First, a little about me. I am 20, a college student, a self-proclaimed nerd, the kind of guy more comfortable with spreadsheets than parties. I have always been drawn to older forms of media. Vinyl records, VHS tapes, classic magazines. There is something about holding a physical copy of something, flipping through

the pages, feeling the weight of the words, that just hits differently. Maybe that's why I'm a subscriber to this magazine, even though I never thought I would be writing in myself.

But here I am. Because recently, something happened that I never expected. Something that I don't have many people to talk to about. I lost my virginity.

And it wasn't how I imagined it would be. Not awkward fumbling in the dark after a party, not some grand romantic moment with a longtime girlfriend. No, it happened in the most unexpected of places, with the most unexpected person.

It all started with a group project

"She was one of those girls who could turn heads without even trying."

for one of my college courses. Our group was supposed to meet up at the library, but one by one, everyone flaked. Everyone except for Jenny (not her real name, of course). She was one of those girls who turned heads without even trying. Smart, confident, funny, glamorous and way out of my league.

We decided to just get some work done while we waited to see if the others would show. But it was not long before we got distracted, talking about random things. She had this way of steering conversations into places I never expected and before I knew it, we were talking about relationships, dating and sex.

"So," she said, tilting her head, "how many girls have you been with?"

I hesitated. I could have lied, told her I had a fling or two in high school, but something about her made me want to be honest.

"None," I sheepishly admitted. "I've never even seen a naked girl in person before."

Jenny smirked at that, as if it was the most amusing thing she had heard. "Seriously?"

I nodded, feeling my face heat up. "Seriously." I wondered if telling her the truth had been a mistake. What now? Would she make fun of me? Think I was a loser?

"Recently, something happened that I never expected...I lost my virginity."

Send reader confessions to
letters@18eighteen.com

She leaned in a little, lowering her voice. "Do you want to?"

I blinked, sure I had misheard her. "Huh? What?"

Jenny giggled and glanced around. The library was nearly empty, just a few students scattered across distant tables. "We could go somewhere more private," she suggested. "If you want to, of course."

I barely remember mumbling a response before I found myself following her to a secluded study room. The second she shut the door, she turned to me, her eyes dark with something I had only read about in the pages of this very magazine.

"You can explore my body," Jenny said softly.

My hands were shaking as she took them and placed them on her waist. Her skin was warm through her shirt

and I swallowed hard. Fuck, this was really happening. Slowly, hesitantly, I let my fingers wander, feeling the curve of her hips, the dip of her stomach. When she pulled her shirt over her head, my breath caught.

She had a magnificent body, the perfect hour-glass shape. Her pale, freckled skin complemented her light brown eyes and hair. She wore a black bra that hugged her chest just right, pushing up her cleavage in a way that made it impossible not to stare. My hands itched to touch her, to feel the softness underneath, but I hesitated.

I won't pretend I was smooth or confident. I was nervous as hell, my movements were awkward, my mind was racing. But Jenny was wonderful! She was patient, guiding and encouraging me all the time. She let me take my time, let me touch her, kiss her,

taste her.

Kissing Jenny was...I can't really describe it in a way that would do the feeling any justice. It was warm, a little messy, kind of overwhelming. My brain went quiet for a second, like everything else just faded out.

And then, of course, reality kicked back in. My heart was pounding, I was probably breathing too hard and I had no idea what to do next. Do I pull away? Keep going? Say something?

Jenny made the choice for me.

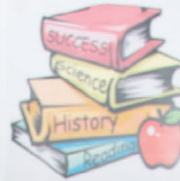

Her hands were very eager, exploring me in ways that made my head spin. Before I knew it, she was unzipping my jeans and frantically undoing my belt.

"Jenny... wh...what..."

She kissed me to shut me up. "Just relax," she whispered into my mouth.

"I let my fingers wander, feeling the curve of her hips, the dip of her stomach...She had a magnificent body."

Annalena made good use of her XXX pics.

We saw little Annalena fucking an older guy last issue, and now we get to have her all to ourselves. Annalena is a platinum blonde beauty from Texas who has a bit of that movie-star look going, but her favorite kinds of movies are the ones she has sex in. "I know that I look like a sheltered, little blondie, but I'm full of surprises."

**ANNALENA
FUCK BAIT**

**Did you show your friends
your fuck video and pics?**

"I did, and they were so jealous. At first they were like, 'Anna-lena, I can't believe you did that,' but then they were saying things like, 'He has such a big cock! How did you take it?' And I could tell from their faces that it was making them excited. One of them actually said to me, 'Annalena, you look so pretty with his cum on your face.'"

Who else did you show them to?

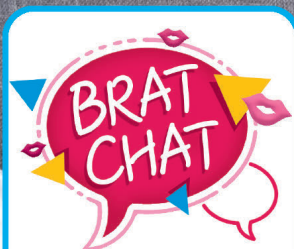

"This guy I was crushing on. I just showed him the magazine, but that was enough. I mean, I looked down and he had this tent in his shorts. I didn't think it would be that easy to turn him on! I took his dick out and sucked it until he was so stiff he was stretching my mouth. Then he stretched my pussy."

EMMA
FRESH LITTLE
PUSSY

**Please, don't tell Emma's
parents you saw her here.**

She'd definitely get in a lot of trouble, but here's the thing: Emma was so excited by the idea of showing her fresh, little pussy to the world that she couldn't resist. This frisky Latina doesn't speak much English, so we had to talk to her through a translator, but she didn't need any instruction when it came to getting naked and playing for us.

**What would your
parents say if they
saw these pictures?**

"My mami wouldn't think it was me and my papi would probably have a heart attack. They think they know me, but they really don't. They think I'm still an innocent virgin, but I'm not. I've had more sex than all of my friends combined. They like to say, 'Emma, you are such a little slut.' I say, 'Thank you!'"

Is that your toy or did we give it to you?

"It's mine! I brought it from home. I keep it at the bottom of my doll box in my closet so my parents won't find it, and I use it every night if I haven't had sex that day. Isn't it so big? I love how it feels in my pussy. I think I like big penises more than small ones. But do you want to hear something? The guy I fucked last night had an even bigger penis than this dildo. It was so fun!"

Eva is studying, trying to be a good girl, and her tutor is trying to help her, but the thing is, she looks so cute in that schoolgirl outfit, he can't resist. Well, Eva doesn't want him to resist. She'd rather fuck than study. She's a shy girl, but once she opens up, look out!

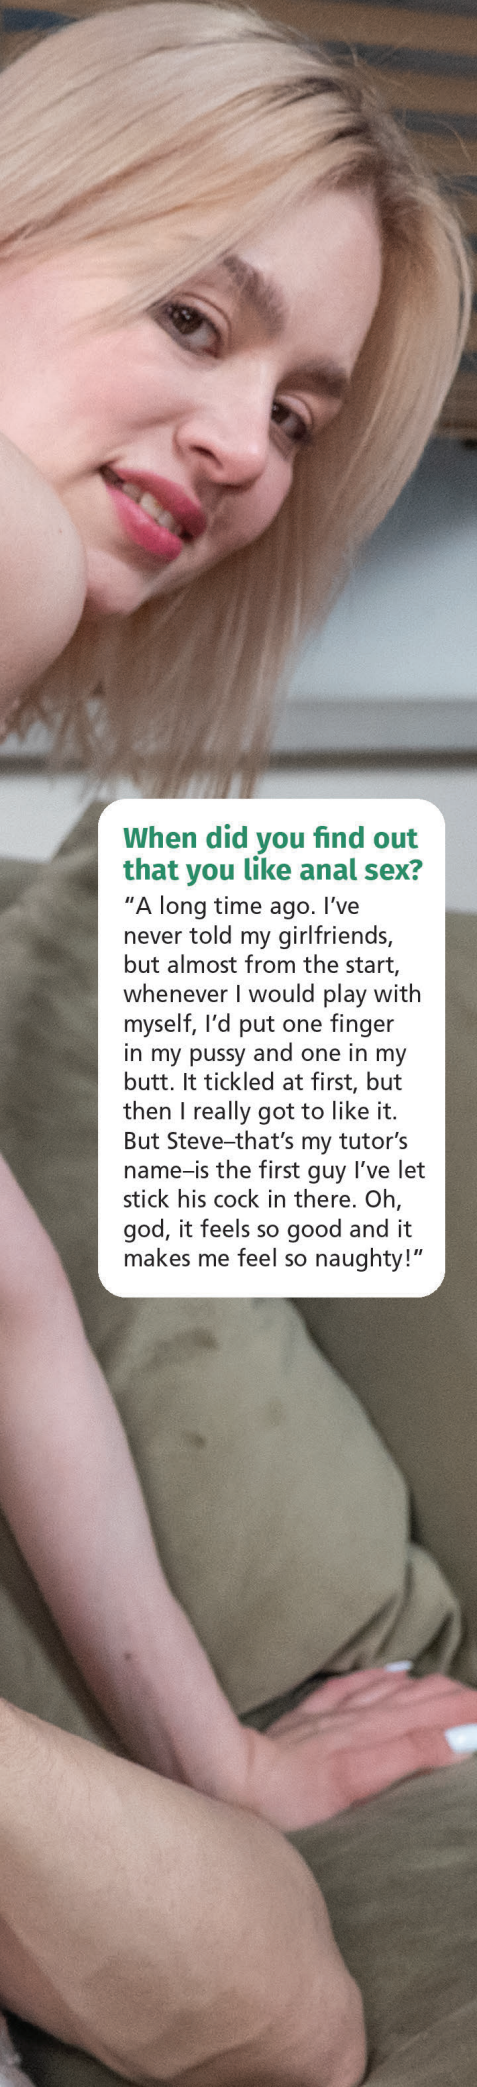

Be honest: How often have you fucked your tutor?

"Fucked him? Two or three times. Given him a blow job? Five or six. At first we were just kissing and stuff, but then we started hooking up and I liked it. My parents hired him because I wasn't doing good in school, and he's always been known around town as a bit of a nerd, so I was surprised when he came on to me."

When did you find out that you like anal sex?

"A long time ago. I've never told my girlfriends, but almost from the start, whenever I would play with myself, I'd put one finger in my pussy and one in my butt. It tickled at first, but then I really got to like it. But Steve—that's my tutor's name—is the first guy I've let stick his cock in there. Oh, god, it feels so good and it makes me feel so naughty!"

OLIVIA

HER FATHER'S FRIEND

Is it okay to fuck your father's friend? Why not?

Olivia is feeling horny after school, and she knows just what to do about it. Her father's friend, who's more than twice her age, has stayed over. He's trying to read a book, but that's impossible once Olivia gets frisky and makes a move on his cock. He knows he shouldn't be doing this. He's known Olivia all her life. Her father would kick his ass if he found out. But there's no resisting this young pussy.

**Did you ever think
you'd fuck this guy?**

"I've thought about it, but I never thought it would happen. I mean, he's my father's best friend! He's almost like my uncle! Plus, whenever he was around, my dad was around, and it's not like he was ever flirting or checking me out. But this day, I was really horny—I'd even made myself cum in the girls room—and I figured, 'What the heck? Let's see!'"

Is this the biggest cock you've ever fucked?

"Thickness? Definitely! He really stretched me out! At first I thought, 'Olivia, what have you gotten yourself into? He's going to ruin your pussy before you even graduate high school,' but it felt so good and I must've cum like 20 times. It's not the longest cock I've ever had. This kid in my class has a skinny 10 incher. But now I think I'm a thickness girl."

"And let me take care of you."

Things escalated quickly after that. Before long, Jenny had managed to get rid of my jeans. Her hand fondled my swelling cock through my boxers. Every flicker of movement from her shot electricity through my spine. Now I had masturbated plenty of times before, but this? I had never felt anything like this before.

We kissed some more as Jenny continued to stroke my dick through my boxers. It felt so good, I honestly felt like I could have orgasmed from her handjob, but Jenny had other ideas.

"I watched

All of a sudden, my boxers were pulled down and I was standing before her with my hardened cock on full display. Jenny smiled at me again, clearly enjoying my confusion, before she got on her knees.

I watched in awe as her lips wrapped around my cock. The warmth of her mouth sent a jolt of pleasure through me. My fingers curled around the edge of the table, my whole body tensed as she moved slowly, teasing me with every flick of her tongue.

Holy! Fuck!

I had read about this a thousand times in this magazine, but nothing prepared me for the real deal. The wet heat, the way she looked up at me with those playful eyes. Oh gosh, I was sure I wouldn't last long. I was gripping the edge of the table to keep from losing control too fast.

Jenny seemed to know that too, slowing down just when I got too close, tongue swirling around the tip of my cock before taking it deeper again. She was toying with me, keeping me on the edge, and it was driving me insane.

"Jenny...I'm...fuck, I'm gonna..." I tried to tell her but she didn't stop. If anything, she sped up, hollowing her cheeks as she sucked me harder, her hand working the base of my cock in perfect rhythm.

That was it. My whole body tensed and before I could even warn her

"I came harder than I ever had in my life."

again, I came harder than I ever had in my life. My mind went completely blank as waves of pleasure shot through me. Jenny kept going, swallowing every drop of my cum like it was nothing, not even pulling back until I was a trembling mess.

She stood up, wiping her lips with the back of her hand and grinned at me. "Damn," Jenny said, clearly proud of herself. "That was hot."

I was still catching my breath, my legs barely holding me up. "Holy shit," I muttered, running a hand through my hair.

I wanted to return the favor, to make Jenny feel just as good. "Can...can I do the same for you?" I asked her shyly.

Her eyes lit up in anticipation. "Sure," she chirped, hopping onto the edge of the table. She spread her legs as she wriggled out of her skirt. "Let's see what you've got."

HARLEY SURPRISE PUSSY SHOW

Harley is not as innocent as she looks.

So sweet. So prim. So proper. And she looks so conservative in that schoolgirl outfit. It's hard to believe that on the next spread, we're going to see Harley's nice perky tits, and a few pages later, her pussy and asshole. And even better, she's doing it in one of her classrooms. What would her teachers think? Well, the male ones would jack off.

Tell us about the first time you had sex.

"It was a few years ago. I had a boyfriend at the time who wasn't ready for sex. I tried to give him blow jobs, but he kept telling me to stop. Can you believe that? So I cheated on him and found a guy who was willing to fuck me, which wasn't too hard. He was a little bit older and wanted me to ride his cock. I didn't know what I was doing, but it felt so good!"

Did your sex life pick up after that first time?

"Definitely, and I've even found out that I like girls. I love pussy and tits! One of my girlfriends gave me a vibrator, and I was able to make myself squirt. I'm also seeing if I like anal. I don't like hooking up with guys my age because they don't know what they're doing, and this older guy made me cum five times in 11 minutes. That's my record!"

Her name is Yummy, and, yes, she looks delicious, but you might be wondering, "What's so yummy about her?" Well, she's going to tell you, but first, we'll tell you that on her first day of college, she fucked one of her male professors. Right after class, in his office. She tried to get with one of her female professors, but it turned out the woman didn't have office hours that day, so Yummy's going to have to try again. And she will try. You can bet your life on that happening.

Yummy isn't your real name, right? Or is it?

"No way! Nobody even called me Yummy until a year ago. Somehow it got around that my pussy tastes good. I know it wasn't because of the first guy I fucked because he didn't even eat my pussy. It might have been one of the girls in cheer, but whatever, it suddenly got all around school that I have a yummy pussy. I didn't even know that was a thing, that girls' pussies all taste different. Ali has a confession to make. "I'm a high school dropout. I liked high school, but I never went to class. I mean, I think I'm pretty smart, and if I got an A for every time I fucked a teacher, I would have been valedictorian, but you know what's so dumb? these teachers?**

"Mostly in their offices, but I did get with a science teacher in his classroom after school, and another did me behind the school swimming pool. We almost got caught! Older men are so nice. They know how to eat me out. They know where my clit is, which guys my age definitely do not, and they don't cum in five seconds. I know I'm still young, but I do know how I like to get fucked."

I moved between her thighs, heart pounding. I had never done this before, but I wanted to get it right. Slowly, I leaned in, my hands running up her smooth thighs as I got closer.

The second my tongue touched her pussy, Jenny let out a gasp, her fingers immediately tangling in my hair. That sound alone sent a rush through me. I tried to pay attention, figuring out what made her react, adjusting my tongue every time she moaned or shifted.

"Yeah... just like that," Jenny breathed, her hips rolling against my mouth as my lips found her clit and closed around them.

Hearing her like that, feeling her body react to me, made me even more eager. I suckled her clit with enthusiasm, picking up the pace, lapping the dripping folds of her cunt. I focused on all the little movements that made her grip my hair tighter, that made her breath hitch, that made her gasp. It was a surreal experience. Every moan I drew out of her was a victory and I

"When I finally slid into her warm pussy, the feeling was unlike anything I had ever imagined."

felt proud of myself.

Before long, her thighs tensed around my head and she let out a sharp gasp, her whole body shuddering. Her cum squirted into my mouth, a little sour and thin, but fucking delicious all the same. I lapped it all off her cunt like a starved man, but some

of it dripped down my mouth to my chin. Jenny held me there for a few more seconds before finally letting out a deep, satisfied sigh.

I pulled back, looking up at her, my lips still slick from tasting her cum. She smiled down at me, her chest rising and falling with each deep breath.

"Not bad," Jenny murmured, her voice still a little loopy from the orgasm. "Not bad at all."

A rush of pride swelled in me. I had never done anything like this before, but the way she trembled under my touch, made me feel like I had done something right.

And then, finally, Jenny pulled me on top of her, whispering that she wanted me inside her.

"Wh...what?" I asked her, unsure if I had heard her right.

She smiled. "You heard me."

"O...okay," I agreed.

I was clumsy and unsure but Jenny helped guide me, whispering kind encouragements that sent a shiver down my spine. She skidded back on the study table until her back was to the wall and I climbed after her. She leaned back and spread her legs, the invitation clear in her gesture.

When I finally slid into her warm pussy, the feeling was unlike anything I had ever imagined. I gasped at the intensity of the sensation. My body tensed as my cock throbbed within the tight warmth of her pussy. Jenny's moans just served to drive me crazier.

Slowly, I managed to gather my senses. I began to move, slowly at first. Jenny matched my rhythm, her hips rocking to take my cock deeper until I was buried balls-deep into her cunt. It was fucking wonderful. I was having the time of my life. She was so tight down there! Pleasure pulsed through me in electric shockwaves each time I thrust into her. Then I shifted my angle slightly, aiming for a better rhythm, and my cock seemed to have hit a sensitive spot in her pussy because she gasped loudly.

"Oh, yes," Jenny groaned, her head hitting the wall. "Just there, yes."

Seeing her wild reaction, I couldn't hold back any longer. My next thrust was hard and deep and before I knew it, I was cumming inside her pussy.

Afterward, when I had pulled out my wet cock from her equally wet pussy, we lay there for a while, catching our breaths, grinning at each other like we'd gotten away with something forbidden. And maybe we did.

Jenny and I never talked about it much after that. There were no promises, no expectations. But I'll never forget that night. And now, thanks to this magazine, neither will you. —A Faithful Reader

JULIA **TEACHER'S** **FUCK** **PET**

She doesn't think he's too old for her.

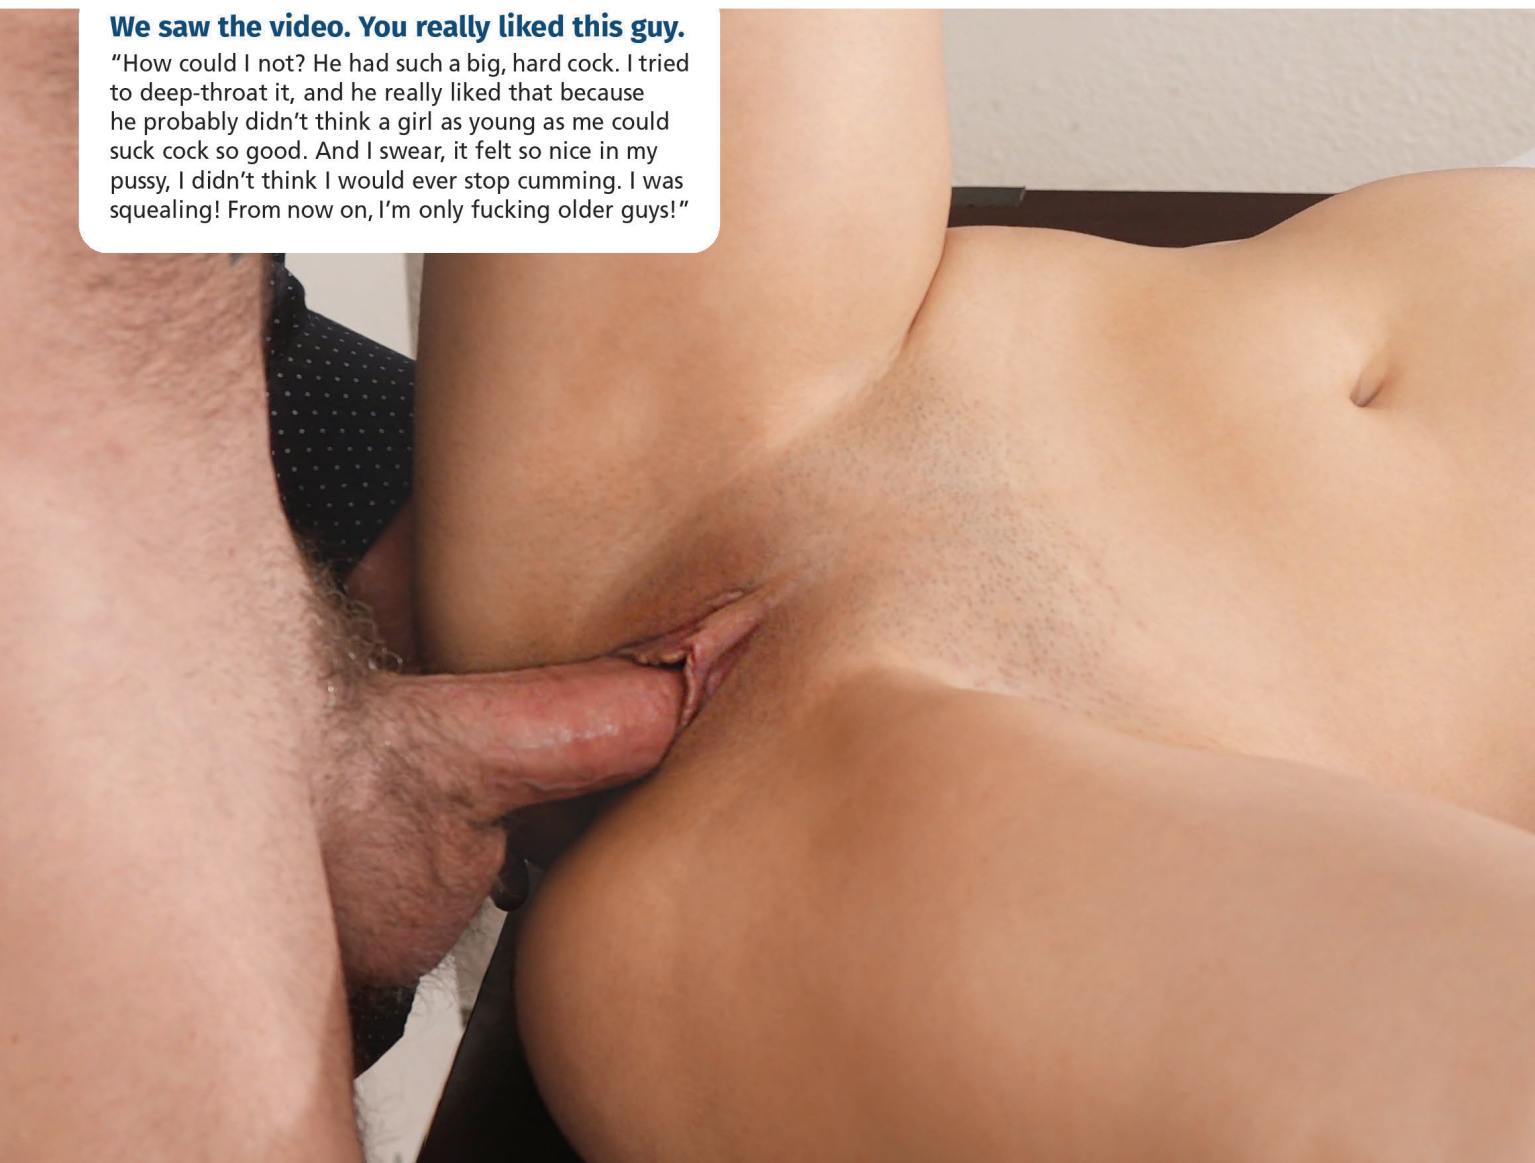

A cute, perky young girl like Julia is hard to resist, even if you're her teacher. Even if you're old enough to be her dad. Sure, school rules say teachers aren't supposed to fuck the students, but what's a man to do when the coeds are so horny and dressed in those sexy schoolgirl outfits? Fuck 'em!

We saw the video. You really liked this guy.

"How could I not? He had such a big, hard cock. I tried to deep-throat it, and he really liked that because he probably didn't think a girl as young as me could suck cock so good. And I swear, it felt so nice in my pussy, I didn't think I would ever stop cumming. I was squealing! From now on, I'm only fucking older guys!"

Have you fucked any other teachers?

"Well, yeah! There was the one I told you about last time who I sucked off in the school parking lot. Then there was Mr. Evans, my sexy science teacher, after I got an F on a bio test. And I ate the principal's pussy when she called me down to her office. Does that count? I guess that's why everyone calls me the school slut!"
